* APR=Annual Percentage Rate. The 2.99% Introductory APR for balance transfers will apply to transactions posted to your account from 01/01/2019 until 03/31/2019 from another lender. Any existing balances on Tendto Credit Union loan or credit card accounts are not eligible for the Introductory APR for balance transfers. The Introductory APR will remain in effect for six (6) billing cycles, after that your APR will be 6.99% to 15.99% APR, as stated in your Credit Card Account Opening Disclosure. Balance transfers are treated as a Purchase and are subject to periodic finance charges, but they are not subject to an additional balance transfer fee. There is a grace period for balance transfers. By requesting a balance transfer, you understand that you may lose current and future grace periods for new purchases if the entire statement balance is not paid, including the total amount subject to the promotional APR, by the payment due date. Tendto reserves the right to decline any balance transfer request. The APR for Purchases and Cash Advances is 6.99% to 15.99%, as stated in your Credit Card Account Opening Disclosure. All other terms and conditions will apply in accordance with our current Mastercard® credit card agreement.

Your signature below, authorizes Tendto Credit Union to do a balance transfer on your Mastercard® account in the amount(s) listed above. Balance transfers are processed in accordance with your Credit Card Agreement and are subject to credit availability. If you request a balance transfer to be made, you should not rely on a balance transfer to be made by any particular date. Although most balance transfers will be made sooner, it could take up to four weeks before payment to your other account is made. Accordingly, you should continue to make all required payments on your other accounts until you confirm that the balance transfer has been made. If you transfer a balance that contains a dispute with a creditor, you may lose certain dispute rights. In addition, Tendto Credit Union will not be responsible for any charges billed to you for the account(s) indicated above. The credit union will advise you if we are unable to process this request for any reason.
