## A Message from **Your CEO**

It certainly has been a busy year at the credit union. As you already know, we went through some very exciting changes in 2018, most notably completing a full name change and rebranding process from Erie Community Credit Union to Tendto Credit Union.

Our decision to rename to Tendto Credit Union was not made lightly. It took months of strategic planning to create an updated brand that really sums up who we are, what we stand for and how we are different from other financial institutions.

We are proud of our heritage and history as a community leader in Erie, but we wanted to refresh our image to better reflect who we are today and who we plan to be tomorrow. We energized our brand without changing the core of who we are. The new brand truly represents the spirit and values of who we have always been and who we will continue to be.

The story of Tendto Credit Union is really the story of our members. As a cooperative, we operate at the service of the people who bank with us. That's why we call ourselves Tendto. Because we tend to see things differently. We tend to believe in the community we live in. And most importantly, we tend to do everything we can to make our members' financial dreams come true.

That said, I wanted to take a minute to highlight some of the positive changes we've made since the new brand was unveiled in February:

- Reduced or eliminated roughly 40% of our fees
- Upgraded all debit cards to include EMV chip technology
- Completed a full renovation of our West Branch to better serve you; also refreshed the interiors of our Downtown and Girard Branches
- Completely redesigned our website to allow for a better member experience and full accessibility in conformance with WCAG 2.0 Level AA Success Criteria
- Introduced ACH Bill Pay in Online Banking
- Amped up our charitable giving efforts in support of our local Erie community
- Researched, planned and will soon launch an online financial education center for members

It is my hope that you are just as excited about these changes and our new identity as I am. To striving for better. To our future. To Erie – lake, county and people. We are proud to be Tendto Credit Union.

On behalf of all of us at the credit union, I would like to wish you a very happy holiday season and a peaceful and prosperous New Year.

*Michelle Kelli*

Tendto team members are instrumental in serving our members, and we know the credit union wouldn't be the same without all of these amazing people.

Throughout 2018, we celebrated our team members by introducing our Team Spirit Awards. Through this award program, we encouraged employees to recognize and nominate other team members for going above and beyond in their everyday job functions. We also surprised our team members on fun holidays – such as National Ice Cream Sandwich Day and Pizza Day. In addition, we held a Team Member Halloween Costume Contest.
